

China Explorer

State Schools' Relief private departure
Sunday 1st April - 11th April 2012

\$1,785.00 per person

*Confidence
to connect*

Based on a joint venture between State School Relief and Peregrine Adventures this private departure will be over the Easter School holidays in 2012.

It will take on the highlights of China you have always wanted to see, Walk the Great Wall, see the amazing city of Shanghai, view the famous Terracotta Warriors and end your trip with some shopping and enjoy all that Hong Kong has to offer.

Your friends, your time, your dream adventure. Your trip.

Adventure travel with Peregrine is always special, but now you have the opportunity to travel with your fellow teachers, family and friends on this exclusive departure.

At the same time you will be assisting State Schools' Relief, a charity that assists disadvantaged government school students with school attire and footwear, with a percentage of the proceeds of this trip being donated to them.

You can have your own single room for just \$350.

We also have access to some great international airfares, but if you have frequent flyer points or wish to do the flights yourself that's fine!

We just need the details and we will collect you from the airport on arrival in Beijing.

We can also arrange extra accommodation in Hong Kong as well as your China Visa and travel insurance.
